START MENU COMPARISON

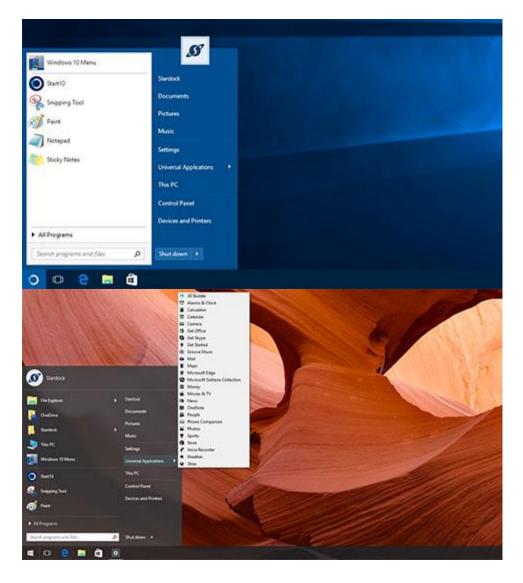

Key Features

- Filter searches in the Start menu
- Restores the quick links to core system functionality
- Maintains the "All Programs" folder metaphor
- Texture can be applied to Start10 background and taskbar
- Integrates Stardock's "Fences" into the menu

Features

Replace

Replace the Start menu with a classic version. This Windows 7-style look is a comfortable return to the form and function you expect.

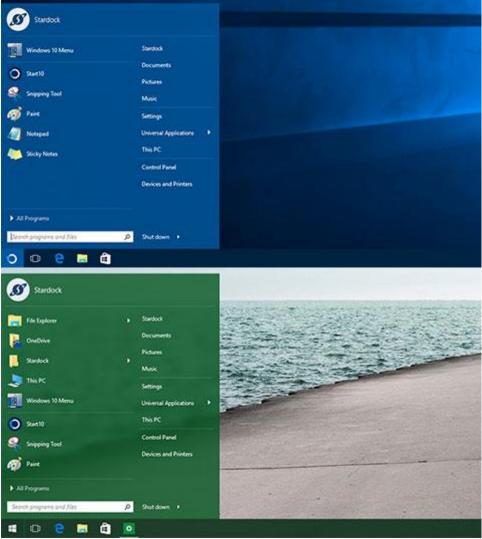

Quick Access

Quick and convenient access to search means your desktop applications and new Universal applications are always accessible. Running with multiple monitors? Add a Start menu to the secondary taskbar for always at hand access.

Stylize

Try a Modern take on the Start menu with a clean, flat style.

Customizable

Choose your favorite color for the Start menu and enjoy custom textures for your taskbar. An array of bundled images and textures let you personalize your PC.
